

KIWALITE

Solvent Type Cloth Tarpaulin Grade # 38100 series

This reflective tarpaulin film can be used with solvent-based inkjet printers for printing high quality images.

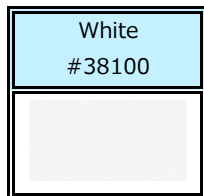

■ Details

Made of tarpaulin material, which is easily manipulated, this product can be used to quickly and easily print and create reflective signage on-site. The reflective tarpaulin is brightly lit at night by the headlights of passing cars, eliminating the need for a lighting system.

■ Application Billboards, safety applications

■ Product size 920mm×20m

■ Color

Please note that accurate display may not be possible depending on the environment, and that it may not be possible to print some items or colors.
