

Kiwacal

**Non-Reflective Sheeting
& protective Overlay Films**

Kiwacal Self Cleaning Film

Kiwacal Self Cleaning Film is a unique protective overlay film designed to decrease the need for labour intensive maintenance.

Due to a special compound within the film itself the top coat will be cleaned of dust and dirt with rainfall or by being flushed by water.

This film is perfect for any signs that are in hard to reach or where regular maintenance is not possible.

- Self Cleaning top coat
- Premium Protection for your signs
- Clear film does not detract from legibility or images of original sign
- Perfect for traffic signs, digital prints and for council and government signs
- Durable product will match lifespan of most signs
- Available in 1240mm x 50m rolls
