

Ref-Lite

Reflective Fabric

Reflite 6501 Reflective Cloth

Reflite 6501 reflective cloth is a open lens type high quality Japanese made material that is designed to be applied by heat to garments. It is perfect for safety vests and jackets.

Reflite 6501 has a very high level of reflectivity and is made to withstand numerous washes (25 washes at 60 deg C).

6501 is a reliable tape when nothing less will do for your safety.

High Quality Japanese made
High Reflectivity

Good washing properties- lasts longer
than cheaper inferior vests and tapes

Easy to use AS/NZS 1906.4 approved

Available in 50mm x 50m tapes or 1100mm x 50m master rolls
