

Restore+⁺

Graffiti Remover

Restore+ is a safer alternative to existing graffiti removers. It does not rely on the same harsh chemicals to remove graffiti.

It is safer for the environment with no special controls or collection services needed.

Restore+ is a gel based remover that is simply applied by brushing onto affected surface. Leave for a few minutes* and wash off with a high pressure water cleaner. That's it!

Works on:

signs#

street furniture

fencing

buildings

metals

bricks

pavers & concrete etc

Restore+ Graffiti Remover	4kg	\$115 + GST
Restore+ Graffiti Remover	10kg	\$240 + GST
Restore+ Graffiti Remover	20kg	\$420 + GST

*May need to be re-applied or left longer for stubborn graffiti, may not work on all paints and surfaces.

#signs should have a clear protective overlay on face as Restore+ will also remove printed inks
